# QUALITY KITCHEN

## The Catering Wing of Quality Integrated Agro Limited

### What We Do @ Quality Kitchen

We specialize in catering services with primary focus on corporate and home catering. Our extensive menu includes traditional and classic items like biriyani, tehari & curry dishes, fast food items like burgers, fried chicken and sandwiches and a variety of finger foods and quick bites. Our specialized BBQ @ Home service is also a customer favourite. We have skilled chefs to cook your meals to perfection and trained servers to provide top quality service.

### About Quality Integrated Agro Limited

Quality Integrated Agro Limited was setup in 2016 with the objective of producing premium grade meat and agro based products. With our own processing plant, farming operation and delivery network, the whole process is integrated, allowing us to provide unrivalled quality and service. By setting industry benchmark and standard over the years, we have become the go-to supplier for our clients, ranging from 5 Star hotels and renowned restaurants of the country.

“From our farm to your table...”

# WHAT SETS US APART IS OUR INTEGRATED SUPPLY CHAIN

From Farm To Table The Full Operation Is Controlled By Us With  
The Contribution Of Our Sister Organizations

## SUSTAINABLE FARMING

We have our own farming operation for chicken and cattle which is monitored by skilled technicians to ensure the meat produced are of high quality, safe and hygienic.

## PREMIUM QUALITY ANIMAL FEED

A pioneer in animal feed production in the country, we make sure the flock is fed optimal diet to ensure safe meat with zero antibiotics and preservatives.

## STATE OF THE ART PROCESSING PLANT

Our food production unit ensures all our products are produced under strict quality control parameters, with strong focus on food taste, flavor and client satisfaction.

## ISO & HALAL CERTIFIED

We operate under strict guidelines dictated by ISO and HACCP protocols to maintain international standard and quality. We are also a Halal Certified company.

## COLD CHAIN DELIVERY NETWORK

From farm to table, we ensure proper cold chain with our own delivery network and warehouses. This ensures quality is maintained from start to finish.

## CONTINUOUS RESEARCH & DEVELOPMENT

Our trained chefs and staff are fully equipped to cook, handle and deliver the best quality products. We have a specialized kitchen section that focuses on product development and quality control.

## OUR JOURNEY

It all started in 1995 when Quality Feeds Limited (QFL) started operations with the commitment to produce high quality animal feed. Over the years QFL has built a strong reputation and has become the go-to feed producer in Bangladesh for those looking for the best quality and service. Currently QFL is serving almost 1000 agents and more than 15,000 farmers through its vast network of depots, technical team and state of the art production plants.

Over the years QFL has established various sister concerns and currently employs more than 5,000 people.

Quality Integrated Agro Ltd (QIAL) was established in 2016 with its own state-of-the-art

meat and egg processing plant. The objective was to produce premium grade chicken and beef products and packaged eggs for the quality conscious consumer. After successful launching of the poultry line, QIAL has launched its finest selection of beef prime cuts to deliver on the promise of producing meat of the highest quality and taste.

From our farm to your table, quality checks are done at each stage so you get the best quality. Farming is done in a manner which is safe and humane. Our state-of-the-art production plant ensures halal slaughtering while processing is done under strict HACCP protocols.
